Experience

Nov 2020 - Now

Learn web development.

Completed Academind's [Javascript](#) and [NodeJS](#) courses and also retok their updated [React](#) course on Udemy. Currently taking their [MERN](#) course. I'm also working on a few projects of my own. I'm currently working on a Facebook clone project: [Live demo](#), [GitHub\(FE\)](#) [Github\(BE\)](#).

Jan 2019 - Feb 2020

Brand Manager, Ethnophere Co. Ltd.

Responsible for branding and managing a remote team. During this time I became interested in web development through working with the company's Shopify store.

Early - Dec 2018

Professional poker.

For the majority of my adult life I have been playing poker professionally, only interrupted by university.

Education

Aug 2014 - June 2015

Healthcare Technology (Engineering) at Denmark's Technical University.

I finished two semesters with good grades, but decided to move to Thailand and continue my poker career. Topics included math, signal processing, medico technology, Computer Science. [Diploma here](#).

Aug 2010 - June 2012

HD Part 1 at Niels Brock - Copenhagen Business College.

I Graduated this two year degree. Subjects included business economics, strategy, law and statistics. [Diploma here](#).

Aug 2006 - July 2007

Social sciences at Roskilde University.

I finished two semesters with good grades, but decided it wasn't for me. Topics included economics, politics and sociology. [Diploma here](#).
